Weather...

Adaptive Softball may be cancelled due to inclement weather. The decision to cancel will be made by 4pm on the day of the program. To find out if a program has been cancelled, please call 952-563-8878 and press 5 for rainout information. As many programs may be **listed on the recorder, please be sure to listen for ADAPTIVE SOFTBALL. If softball is cancelled more than once due to weather**, depending on staffing and field availability, a make-up date will be considered.

If the weather takes a turn for the worse during one of the programs, please be aware that we will play in the rain, unless field conditions merit calling the game. The head coach will "call the game" if lightning is sighted or severe weather is imminent. We encourage parents/friends/staff providing transportation to stay each night. If transportation providers choose to leave, please return right away if the weather looks questionable. Players and coaches will be waiting. If severe weather approaches suddenly, we will take shelter in nearest park building.

If you have questions regarding this policy, please contact Jackie at 952-563-8877 or jdoncavage@BloomingtonMN.gov
